Education

Google UX Design Certificate-Online

June 2021 - March 2022

Completed rigorous training designed for entry-level job readiness.

Topics included UX reserch fundamentals, inclusive design, wireframe and high-fidelity prototypes, and tools like Figma and Adobe XD.

Completed hands-on projects and developed a portfolio with three projects.

B.sc Computer Science-Osmania University

June 2017 - June 2019

Experience

Tata Consultancy Services

February 2020 - Present

UI/UX Designer

- Designed promotional banners of various events and meets.
- I was part of the team which lead the design timesheet mobile app.
- Designed web admin panels in banking project.

Technical Support Engineer

As an Incident manager, I manage the lifecycle of all unplanned interruptions, malfunctions of provided IT services.

The main goals are to follow incident management protocols and restore provided IT services to normal operation as quickly as possible.
